UPON TYNE

SUMMARY

I am a hardworking and adaptable professional with experience in logistics, customer service, and software development. Skilled in multitasking, training, and problem-solving across diverse industries.

WORK EXPERIENCE

1. Amazon Warehouse Associate (September 2022 - January 2023)

- Picked, packed, and prepared items for shipment, ensuring timely dispatch.
- Trained and onboarded new employees, improving team efficiency.
- Maintained high accuracy and productivity in a fast-paced environment.

2. Front House Waiter (Current)

- Provide excellent customer service in a busy hospitality setting.
- Handle orders, payments, and customer requests efficiently.
- Collaborate with team members to ensure smooth operations.

3. Freelance Software Engineer (Current)

- Develop customized software solutions for clients (e.g., web/apps, automation).
- Analyze client needs and deliver scalable, efficient code.
- Manage projects independently, ensuring deadlines and quality standards.
